

INVITATION

You are cordially invited to the next monthly seminar hosted by the SA Branch of the **Australasian Evaluation Society**

Everything you always wanted to know about evaluation but didn't know who to ask...

The Questions...

...are yours to ask! The Community Foodies Program is a statewide network of Dietitians and other community workers who train and support local community members to undertake a wide range of activities to support healthy eating. They'll contact their networks to come up with a list of questions and those will be provided to the panel in advance of the session. There will be opportunities for audience members to contribute ideas in response too, and time afterwards for other questions from the floor.

The event will be of particular interest to those involved in, or needing to evaluate, health promotion, preventative programs, primary health care, community development and related areas. However, the evaluation issues that will be raised will be relevant to many other sectors as well.

If you want a question considered by the panel (regardless of the area in which you work), drop an email to gill@communitymatters.com.au

The Panel...

...is still being confirmed but will include experienced evaluators from a number of different organisations, who work from a range of different approaches.

Time: 4:30 (for a 4.45 pm start) - 6:30pm

Date: Tuesday 6th July 2010

Venue: The Board Room, 7th Floor
KPMG, 151 Pirie St,
Hindmarsh Square, Adelaide

Drinks and light refreshments will be served.

Please **RSVP by 5 pm Friday 2nd July** for catering purposes
