

# EvalAgenda2020

A graphic for EvalAgenda2020. It consists of a central white circle with the text "EvalAgenda2020" in a black serif font. Surrounding the circle are six stylized human figures in various colors (blue, green, red, purple, orange, yellow) arranged in a circle, holding hands.

The AES contribution.....

# Acknowledgements

- EvalAgenda2020 four key domains
  - Strengthening an enabling environment
  - Strengthening Institutional Capacities
  - Strengthening Individual Capacities
  - Strengthening the Inter-Linkages

So.....

Which bites of the Evalapple do we want to take?

- Five guiding principles
  - Equity
  - Cultural inclusiveness and safety
  - Gender equality
  - AES Code of Ethics
  - AES Strategic Priorities and associated work plans to achieve these

- The process....
    - Today’s official launch of EvalAgenda2020 in Australia
    - Today’s “Passing on the Torch” session
    - All AES Committees between September and November 2016 as part of their work plan development, identify activities that support EvalAgenda2020’s implementation
    - The AES contribution is released in December 2016
- ....noting that this will be a living document that will be updated during the life of the initiative as needed.

- So...where do I come in?
  - Read about EvalAgenda2020 and what's happening to support it  
<http://www.evalpartners.org/global-evaluation-agenda>
  - The AES Committee Chairs are happy to hear your thoughts
  - Think about what activities your local AES Region could do to
