

Frameworks for program evaluation: considerations on research, practice and institutions

Dr. Ghislain Arbour
Centre for Program Evaluation

September 2019
AES International Evaluation Conference, Sydney

Evaluation framework?

Dimensions

Types of ideas

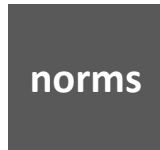

Analytical persp.

Object

Institutional dim.

- Scientific literature
(e.g.: scientific articles and textbooks)
- Document of reference from organizations
(e.g.: logic model guidelines, proposed set of criteria)
- Locally developed intellectual products
(e.g.: evaluation plans, logic models, measurement plans)
- Regulatory and binding documents (in the case of institutional frameworks) (e.g.: laws, regulations, contracts, policies)

Fully online courses

- Master of Evaluation
- Graduate Certificate in Evaluation
