

PACIFIC ISLANDS FORUM

Evaluation for whom?

Shifting evaluation to increase its value for local actors

Linda Vaike and Lisa Buggy

18 September 2024

Whose interests
and values are
being served by
most evaluative
work?

The Pacific Experience

Aggregated information serving simple messages

Standardised measures that ignore the diversity of Pacific experience

Lack of information that would adequately support choices of action

The UNDP Gov4Res Experiment

Supporting Pacific led resilience

Appreciation of the great diversity within each location and between locations

Shift from vertical MEL to 360 degrees

Evaluating the Gov4Res Small Grants Initiative

Implementation*

Demonstration

Partnerships and Co-Financing

Learning and Adaptation

Sustainability and Advocacy

Adopting a Country Specific Focus

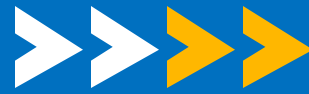

Example from Solomon Islands

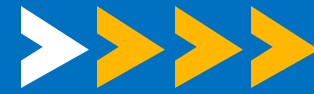

➤ In Summary

Experiment
